The Best Spring Tonic

Is the one which will be the most thoroughly and quickly drive out of the blood the accumulations that are inevitable in the winter months, and which threaten health when the habits of life change under the warming sun of spring.

A "spring cleaning" is as necessary for our bodies as in our houses. You will never have spring fever if you anticipate it by thoroughly cleaning the system.

This is the best time to put your bodily house in thorough order. You can do it easily, comfortably and satisfactorily with
